

ABC Technologies Employee Handbook

Company Overview

ABC Technologies is a software and AI solutions company focused on enterprise automation, cloud services, and machine learning applications. Employees are expected to maintain professionalism, collaboration, and ethical conduct while representing the company.

Working Hours Policy

The standard working hours for full-time employees are from 9:00 AM to 6:00 PM, Monday through Friday, including a one-hour lunch break. Employees are expected to log in on time and maintain regular attendance. Flexible working hours may be approved by reporting managers depending on project requirements and employee performance. Employees working remotely must remain available during core collaboration hours from 10:00 AM to 4:00 PM. Repeated late attendance exceeding three instances in a month may result in a warning from HR.

Leave Policy

Employees are entitled to:

- Casual Leave: 12 days per year

- Sick Leave: 10 days per year

- Earned Leave: 15 days per year

Unused earned leave may be carried forward up to a maximum of 30 days. Leave requests must be submitted at least two working days in advance except in emergencies. Employees on sick leave for more than three consecutive days must provide a medical certificate.

Remote Work Policy

Employees may work remotely up to three days per week with manager approval. Remote employees are responsible for maintaining stable internet connectivity and availability during meetings. Employees handling confidential data must use company-approved VPN connections while working remotely.

Code of Conduct

All employees are expected to maintain respectful and professional behavior toward colleagues, clients, and vendors. Harassment, discrimination, bullying, or abusive language will not be tolerated. Violation of conduct policies may lead to disciplinary action including suspension or termination.

Performance Review Policy

Employee performance reviews are conducted twice each year. Evaluations are based on technical skills, collaboration, communication, project delivery, and problem-solving ability. Employees receiving poor ratings may be placed under a Performance Improvement Plan (PIP).

Salary and Compensation

Salaries are processed on the final working day of each month. Employees are eligible for annual salary revisions based on performance and company financial results. Unauthorized overtime work may not qualify for compensation.

IT and Security Policy

Employees must use strong passwords and enable multi-factor authentication. Sharing login credentials is strictly prohibited. Any suspected data breach must be reported immediately.

Travel and Reimbursement Policy

Employees traveling for business purposes must obtain prior approval. Expense reports must be submitted within seven working days after travel completion. Personal expenses during business travel will not be reimbursed.

Training and Development

Employees are encouraged to participate in company-sponsored training programs and certifications. The company may reimburse certification costs for approved courses related to employee roles.

Resignation and Exit Policy

Employees must provide a minimum notice period of 60 days before resignation. Employees leaving the organization must return company assets before their final working day.

Health and Safety Policy

Emergency exits, fire safety equipment, and first aid kits are available on every office floor. Smoking is prohibited inside office premises.

Equal Opportunity Policy

ABC Technologies provides equal employment opportunities regardless of gender, religion, caste, ethnicity, disability, or age.
